Genesys Platform Operating System Roadmap

Keysight EEsof EDA reviews hardware and operating system support on a regular basis and updates the information as it becomes available. Not all product releases are supported on all platforms and/or operating system combinations.

Operating system	Windows XP PRO	Windows Vista	Windows 7 Enterprise	Windows 8 Enterprise	Windows 10 Home/Pro/Enterprise	RedHat Linux RHEL4	SuSe Linux SLES9	SuSe Linux SLES10	Solaris 10
32/64 bit	32/64	32/64	32/64	32/64	64	32/64	32/64	32/64	32/64
Genesys 2006	Supported	Not supported	Not supported	Not supported	Not supported		Not supported		
Genesys 2006 Genesys 2008 Genesys 2009	Supported	Supported	Not supported	Not supported	Not supported		Not supported		
Genesys 2010	Supported	Supported	Supported	Not supported	Not supported		Not supported		
Genesys 2012	Supported	Supported	Supported	Not supported	Not supported		Not supported		
Genesys 2014	Not supported	Not supported	Supported	Supported	Not supported		Not supported		
Genesys 2015	Not supported	Not supported	Supports 64 bit only	Supports 64 bit only	Not supported ^{1,2}		Not supported		
Genesys 2018	Not supported	Not supported	Supports 64 bit only	Not supported	Supports 64 bit only		Not supported		
Genesys 2020	Not supported	Not supported	Supports 64 bit only	Not supported	Supports 64 bit only		Not supported		

1. Full testing and QA have not been done on installations of Genesys 2015 with Windows 10. However, initial installations and startup went smoothly with no issues.
2. To run on Windows 10, install license server software 2016.05 or later after installing Genesys. The latest version of the license server software can be downloaded from <http://www.keysight.com/find/eesof-license-server-software>.
