

Keysight **Premium Used**

A Smart Alternative To New

Keysight Premium Used offers a wide range of high-quality used test and measurement equipment. Each instrument is remanufactured by the OEM to like-new specifications and appearance, configured to your requirements.

More For Your Money

- Discounts from 25% when compared to purchasing a new instrument
- Add hardware and software options at the same discount**
- Find new accessories and a full calibration certificate included in the price

Quality You Can Count On

- Buy an instrument refurbished by the OEM, for the highest quality used instrument
- Benefit from Keysight's in depth inspection, testing, and remanufacturing processes
- Configure an instrument to your specific measurement needs

Like-New Warranty And Support

- Get the same warranty as new instruments, with the option to extend it further
- Enjoy elevated support with KeysightCare included with your purchase
- Receive expert advice and personal support from Keysight
- Add an optional calibration plan, for future peace of mind
