

# Educational Discount Up to 50%

## Save more and Get SMARTer with Keysight

Keysight is committed to supporting academia — let's do amazing things together. To stand out above the rest, you need smarter resources in your labs. Under the educational discount program, approved educational institutions receive a 15% discount on eligible hardware products and a 50% discount for select software products.

### Save 15% on hardware

			
Oscilloscopes	Signal Analyzers	Frequency Counters	Power Analyzers
			
Digital Multimeters	Signal Generators	LCR Meters	Data Acquisition
			
Waveform Generators	Network Analyzers	Impedance Analyzers	Parameter / Device Analyzers
			
DC Power Supplies	FieldFox	Power Meters and Sensors	Source Measure Units
Handheld products and more			

You can set up accredited teaching labs and state-of-the-art research labs with Keysight's education discount program.

Equip your teaching and research labs now with industry-leading design and test tools.

Save up to 50% — valuable for your students and right for your budget.

## Terms and Conditions

The educational discounts may not be combined with other Keysight promotions. Prices and availability information are subject to change without notice.

A banner for Keysight Services. On the left, there is a red icon of three people. Below it, the text reads "Improve Test Accuracy with" followed by "KEYSIGHT SERVICES" in large, bold, white letters. On the right, there is a small red icon of three people and the text "KEYSIGHTCARE Support. Elevated." in white. Below the banner, there are three columns of services, each with a blue icon at the top. The first column has a shield icon with a checkmark and the heading "REDUCE RISK". The second column has a dollar sign icon and the heading "REDUCE CAPEX AND OPEX". The third column has a calendar icon with a checkmark and the heading "MEET SCHEDULE". Each column lists a stack of services separated by plus signs.
