

TOP 5 REASONS

PEOPLE GO WITH
KEYSIGHT STREAMLINE SERIES

1

CONSISTENT TECHNOLOGY

The same technology, measurements, and user interface as both benchtop and modular platforms

EASE OF CONNECTION

Simply plug in the USB and open the soft front panel

2

3

HIGH PERFORMANCE

The same high performance and software applications typically found in a benchtop instrument

COMPACT FORM

Small form factor, ideal for a rack

4

5

PORTABILITY

Easily share an instrument between labs and facilities
