

# XGS Chassis Windows 10 Upgrade

## Challenge: XGS Chassis Must Keep Current to Ensure the Latest Security Updates

In today's complex test environment, it is critical to keep the underlying software infrastructure current with the latest system software and system security.

## Solution: Window 10 Upgrade for IxOS and Windows

The Ixia IxOS and Windows 10 Upgrade product is the solution. This upgrade delivers the needed Windows 10 version and the corresponding IxOS system in an easy-to-install USB.

## Highlights

---

- Windows 10 and Microsoft license
- IxOS 9.00 upgrade
- USB delivery includes both upgrades
- Enables upgrading of ONE XGS chassis per 943-0014 product purchased
