Installing the 08.30pa Software Patch

This software patch must be installed using the administrator login (or a login with administrator privileges).

Follow these steps to install the 08.30pa software patch:

1   Save the **Agilenti3070_0830pa.exe** file to your hard disk.

2   Close all open programs.

3   Double-click **Agilenti3070_0830pa.exe**.

4   Follow the on-screen instructions for installation.

5   To validate that the software was installed correctly:

   a   On the **Start** menu, select **Programs** > **Agilent ICT** > **Korn Shell**.

   b   In the Korn Shell window, type `version` and press **Enter**.

   The following software revision should be displayed:
   Agilent Medalist i3070 08.30pa 0612 WN
