

# Keysight 34398A RS-232 Cable Kit

## Keysight 34399A RS-232 Adapter Kit

Keysight **34398A RS-232 Cable Kit** Contains a 9-pin female to 9-pin female Null Modem (printer) cable and one adapter. Use the cable and adapter to connect Keysight instruments with 9-pin male RS-232 connectors to most PCs or printers. The cable kit contains:

- Null modem cable, 9-pin F to 9-pin F, 2.5 meters (8 ft. 2.5 in.), Keysight Part Number F1047-80002.
- Adapter, 9-pin M to 25-pin F (straight through), for PCs and printers, Keysight Part Number 5181-6641.

Keysight **34399A RS-232 Adapter Kit** Contains four adapters to change a 9-pin female Null Modem (printer) cable to a 25-pin PC/printer cable, or to a 25-pin or 9-pin Modem cable. The adapter kit is intended for use with the Keysight 34398A Cable Kit. The adapter kit contains:

- Adapter, 9-pin M to 25-pin F (straight through), for PCs and printers, Keysight Part Number 5181-6641.
- Adapter, 9-pin M to 25-pin M (straight through), PCs and printers, Keysight Part Number 5181-6640.
- Adapter, 9-pin M to 25-pin M, converts Null modem cable to Modem cable, Keysight Part Number 5181-6642.
- Adapter, 9-pin M to 9-pin M, converts Null modem cable to Modem cable, Keysight Part Number 5181-6639.
