Errata

Title & Document Type: 8753D-C14 Network Analyzer Operating and Service Manual Modifications

Manual Part Number: 08753-90356

Revision Date: June 1, 1996

---

HP References in this Manual

This manual may contain references to HP or Hewlett-Packard. Please note that Hewlett-Packard's former test and measurement, semiconductor products and chemical analysis businesses are now part of Agilent Technologies. We have made no changes to this manual copy. The HP XXXX referred to in this document is now the Agilent XXXX. For example, model number HP8648A is now model number Agilent 8648A.

About this Manual

We’ve added this manual to the Agilent website in an effort to help you support your product. This manual provides the best information we could find. It may be incomplete or contain dated information, and the scan quality may not be ideal. If we find a better copy in the future, we will add it to the Agilent website.

---

Support for Your Product

Agilent no longer sells or supports this product. You will find any other available product information on the Agilent Test & Measurement website:

[www.tm.agilent.com](http://www.tm.agilent.com)

Search for the model number of this product, and the resulting product page will guide you to any available information. Our service centers may be able to perform calibration if no repair parts are needed, but no other support from Agilent is available.
INTRODUCTION:
This manual insert describes the differences in the HP 8753D Option C14 compared to the standard 8753D Network Analyzer. It also describes the manual changes necessary to document the 8753D-C14.

DESCRIPTION:
The 8753D Option C14 is a standard 8753D with the Test Port Coupler connectors changed from a APC-7 connector to a Type-N (f) connector. In all other respects, it is identical to the standard 8753D Network Analyzer.

SERVICE MANUAL CHANGES NECESSARY TO DOCUMENT THE 8753D-H02:
The following changes should be made to the 8753D Manual.
Replaceable Parts:
Delete: P/N 5086-7489 HP 8753D TEST PORT COUPLER
Add: P/N 08753-60193 HP 8753D-C14 TEST PORT COUPLER

NOTE:
The 8753D Option C14 will not work with units that use APC-7 connectors. Adapters are available if needed.
