

# Keysight Technologies

## Over 70-Year History of Partnership

Over 70-year tradition of long-term relationships  
built on values of honesty and integrity

For over 70 years, Keysight has built partnerships based upon our culture of trust, respect and uncompromising integrity.

Our product performance is conservatively specified to assure that products consistently meet your measurement requirements.

Count on Keysight expertise to help you make the best decision. Our expertise takes multiple forms, including people that know the technology and its application in your business, but also vast global resources, such as online information, white papers, calculators and demonstrations.

- Access to industry-recognized experts
- Long-lasting reliable products
- Long product support lives
- Seamless product rolls and extensions
- Superior technical support
- Broadest portfolio of products
- Legacy of technology leadership
- Global service and support

You can be rock-solid confident that Keysight will always be here to support all of your measurement needs.
